

WELCOME to 2012 and one of the biggest programmes of golf events in Europe.

2011 heralds another year in which the International Golf Club will provide its members with a unique golfing service – golf practically every weekend of the year visiting many of Belgium's fine golf courses including all of the 'Royals'.
- competitions to suit all golfers in formats that include Stableford, Strokeplay, individual matchplay and 4BBB interclub matchplay challenges.

This IGC Spring calendar of 'Fixtures and Events' will help you to plan your golf in the first three months of 2012 – and in total over 100 competitions will be scheduled for the coming year.

This year, after the success of last year's trip and by popular demand, we are again visiting Kent in England for the annual Stay & Play weekend in April.

We hope that you will join in as many events as your time allows. We would also encourage you to bring along friends or colleagues and introduce them to the pleasures of playing with the IGC.

In the meantime we wish you a HAPPY GOLFING NEW YEAR in 2012
